

CHILD / YOUNG PEOPLE / ADULTS AT RISK PROTECTION POLICY STATEMENT

Organisations that work with children, young people and adults at risk need to ensure that their Safeguarding systems and Procedures adhere to best practice. Please see the information below to consider in relation to your own organisation's procedures.

It is a requirement of our funding that any organisation which comes into contact with children, young people and adults at risk, either directly through its programmes or indirectly through its services, must commit to a Safeguarding Policy.

If your Safeguarding Policy and Procedures are older than 3 years please review and update to ensure your policy and procedures are in line with best practice and legislation relating to protection issues. If you are successful in obtaining a grant, the Arts Council may, as part of its monitoring processes, ask to see these documents during the incoming year.

Statement of commitment

The applicant organisation is committed to practice which protects children, young people and adults at risk from harm. Staff, volunteers and artists in this organisation accept and recognise their responsibilities under the Children (NI) Order 1995, Co-operating to Safeguard Children DHSSP 2003, Safeguarding Vulnerable Groups (Northern Ireland) Order 2007 and Safeguarding Vulnerable Adults – A Shared Responsibility 2010 and will endeavour to carry these out by:

- having an awareness of the issues which cause children, young people and adults at risk from harm;
- adopting Safeguarding protection guidelines for staff, leaders, volunteers and artists;
- providing information about Safeguarding and good practice to children, young people, adults, primary carers, staff, volunteers and artists;
- sharing information about concerns with those who need to know;
- following carefully the procedures and recruitment and selection of helpers (staff, volunteers, artists) and the management of the group;
- undertaking appropriate training;
- keeping Safeguarding policies and procedures under regular review; and
- providing information as required to management committees/funders.

Please refer to the Arts Council's Child Protection Best Practice Guidelines For Arts Organisations to ensure your own guidelines and policy represent good practice in relation to working with children.
