

# National Lottery Young People & Wellbeing Arts Programme

## How to acknowledge your grant

Congratulations on receiving a grant through the National Lottery Young People & Wellbeing Arts Programme. It is one of the conditions of accepting your grant that you now acknowledge your National Lottery funding.

You must acknowledge this funding on all promotional and press materials associated with your project, including your website. You must include:

- **The Arts Council/National Lottery logo** (below)
- **A sentence of Acknowledgment:** Supported by the National Lottery Young People & Wellbeing Arts Programme, funded by the National Lottery through the Arts Council of Northern Ireland.

### PRINCIPAL FUNDER

This logo is available in various file formats (jpeg, png, eps) on the Arts Council website at: [National Lottery Young People & Wellbeing Arts... | Arts Council NI \(artscouncil-ni.org\)](https://www.artscouncil-ni.org/national-lottery-young-people-wellbeing-arts-programme)

### Brand Guidelines:

- Guidelines on how to use the logo are on the Arts Council website at: [ACNI-BrandToolkit-2020.pdf \(s3-assets.com\)](https://www.artscouncil-ni.org/brand-guidelines). As a rule of thumb:
- The logos must be prominent and clearly visible
- Size and positioning of the logo should reflect the size of the grant in relation to other funders.

### What else you should do to acknowledge your grant:

We have produced a leaflet which provides further advice on what else you should be doing to acknowledge your grant: [How to acknowledge your National Lottery grant \(s3-assets.com\)](https://www.artscouncil-ni.org/brand-guidelines)

### Media Toolkit

We have produced a Media Toolkit to help you get the story of your project out to the public. The Media Toolkit offers guidance on contacting your local media, preparing press releases and social media: [National Lottery Young People and Wellbeing Arts Programme Media Guide \(s3-assets.com\)](https://www.artscouncil-ni.org/media-toolkit)
